

TIPS TO HELP MAKE YOUR EXPERIENCE MORE ENJOYABLE ON THE KAMUTIK W

This is general information. Please check out the Labrador Ferry service website <https://labradorferry.ca/>. The site has a wealth of information and has information and links to policies such as boarding times and baggage allowances, vehicle reservations, payment information, Vessel updates, Important Notices and freight tracking.

Reservations are always recommended during the busy season (July, August, early September) and can be made

1. By phone at 1-855-896-2262 for PASSENGERS, 8:00am to 8:00pm Daily. You can also book online at <https://labradorferry.ca/reservations>. Reservations can be made for upcoming sailing dates only.
2. North coast reservations must be made by 4:00pm Sunday for the Monday morning departure. Reservations for the South Coast must be made by 4:00pm Friday for the Saturday departure.

Passengers can purchase tickets several ways:

1. When you make your reservations online or by phone, you can pay the full rate or pay the deposit (\$25.00 one way or \$50.00 round trip) per individual reservation. If there are 4 people on the reservation, only one deposit is charged.
2. You can **pick up/purchase** your ticket at the ticket office in Goose Bay, Main Dock, Hamilton River Road. Passengers **with reservations** will be given priority over walk-ons. Walk-ons will be accommodated as long as there are seats available onboard.
3. On the coast, you can **purchase/pickup** your ticket from the **onboard Purser**. Passengers doing this are advised to do this several hours prior to vessel departure to avoid delays **and ticket sales cut off 1 hour prior to departure**. Up to date estimated arrival time is posted on the LMI website <https://lmsi.woodwardgroup.ca/>.
4. Passengers boarding in the communities can purchase a cabin onboard from the Purser, if available.

*Walk on passengers are allowed to travel with 2 pieces of baggage and 1 personal item. You are permitted to bring 1 piece of baggage and 1 personal item onboard with you. Second bag is required to be placed in the luggage bin by the security gate or on the dock. **Luggage must be clearly tagged**. Any additional pieces of luggage can be checked in as freight.*
